

## Membership Subscription Payments

The Exmouth Rowing Club subscription year runs from 1 April to the following 31 March.

This procedure describes how to pay your Exmouth Rowing Club membership subscription using the club's *Virgin Money Giving* webpage which is the preferred method of payment.

New starters are eligible for 3 free rows before they need to commit to paying their membership fee. If you start after 1 April your pro rata membership fee is calculated from the 1st of the month that you complete your 3rd free row. For example if that date is 1 June you are required to pay 10/12ths of the annual fee which in this case is £150.

Paying your subscription via *Virgin Money Giving* allows the club to automatically claim an extra 25% of your subscription in Gift Aid (if you are a taxpayer). This helps the club to keep subscriptions as low as possible.
