 Rowing and its associated training is a strenuous activity. You should therefore be in good health and have no medical or physical condition precluding heavy exercise. If there is any doubt you should first consult your doctor. Some conditions such as asthma and diabetes do not prevent individuals participating in the sport, but you have a duty to declare any condition that might put yourself or others at risk. Likewise you have a duty to declare any change in personal health which may put yourself or others at risk. If applicable please specify any relevant health issues below:

Rowing requires an ability to follow instructions and commands given by coxes or coaches in a boat. Please describe below if you have any additional learning needs:

For your safety ideally you should be a competent swimmer. British Rowing define "competent" swimmer as being able to swim 50 metres in light clothing (rowing kit), swim underwater for 5 metres and tread water for 2 minutes. Please tick below:

I confirm that I consider myself a "competent" swimmer	I am NOT a "competent" swimmer

NOTE: ALL Juniors and non-competent swimmers MUST WEAR A LIFEJACKET WHEN IN A BOAT. Juniors must be accompanied by an adult guardian at all times - both for indoor gym work and on the beach. Should an accompanying adult not be available, we regret the junior cannot attend rowing activities. By becoming a member of Exmouth Rowing Club you agree to comply with the Club Constitution and rules. These can be found on the Club website www.exmouthrowingclub.co.uk as well as on the notice board in the clubhouse. As part of ongoing ERC publicity, club events and activities I acknowledge that photographs of club members may be published to the public domain; online and offline. I accept this fact & should I be in a position where images of me cannot be used in this way, I take full responsibility for advising the photographer or removing myself from the photograph where such an occasion arises.
